

SCENIC ROAD REQUEST

I, _____, request a Scenic Road hearing in front of the Dunstable

Planning Board for the following address: _____

Work to be done: _____

Number of trees over 1-½" in diameter that you want to remove _____.

Explanation of why you want to remove the tree(s): _____

_____.

I understand that I need to mark the trees I would like to remove by placing a notice in plain view on each tree. As soon as this has been completed, I will call the Planning Board secretary at: **978-649-4514 x230** for the tree warden's inspection. *Note: This must be done at least seven days before the scheduled hearing.*

No stone wall shall be demolished or altered, nor trees removed until after the hearing.

I understand that I shall bring photos of the area to be altered, as well as a rough drawing of the lot showing where I will break through the stone wall, and the location of trees near the road to be removed, if any. *Note: If a new driveway is involved, the applicant needs to contact the Highway Department for a driveway permit (978) 649-4514 x227.*

I am aware that although there is no fee for a scenic road hearing, I am responsible for paying for the cost of advertising the hearing. The Planning Board secretary will advertise the hearing and send an invoice to me for payment. (Payment must be made before the hearing).
